1. Starting in June 2025, Net Deposits include results from Bitstamp. Starting in March 2026, Net Deposits include results from TradePMR (March 2026 Net Deposits included TradePMR Net Deposits for all of Q1 2026).  
 2. Starting in December 2025, includes Robinhood Banking balances. In February 2026, we updated our brokerage High-Yield Cash program to fund growth in margin lending. Under the updated program, the first \$10 thousand in enrolled balances per eligible customer are held as free credit balances where the customer continues to earn the same interest rate. This resulted in over \$6 billion of Cash Sweep balances moving to free credit balances in February 2026.
