1. Funded Customers do not include Trump Accounts. Starting in July 2026, Total Platform Assets include Trump Account assets custodied by Robinhood and Net Deposits include Trump Account contributions.

2. In February 2026, we updated our brokerage High-Yield Cash program to fund growth in margin lending. Under the updated program, the first \$10 thousand in enrolled balances per eligible customer are held as free credit balances where the customer continues to earn the same interest rate. This resulted in over \$6 billion of Cash Sweep balances moving to free credit balances in February 2026.
