¹ Starting in June 2025, Net Deposits include results from Bitstamp. Starting in March 2026, Net Deposits include results from TradePMR.
² Starting in December 2025, includes Robinhood Banking balances. In February 2026, we updated our brokerage High-Yield Cash program to fund growth in margin lending. Under the updated program, the first \$10 thousand in enrolled balances per eligible customer are held as free credit balances where the customer continues to earn the same interest rate. This resulted in over \$6 billion of Cash Sweep balances moving to free credit balances in February 2026.
